

TABLE 1: Current and Projected Preschool Enrollment

Directions -- Please read before completing the form.

1. All respondents must answer PART A and PART C. **PART C is for projection estimates only!**
2. PART B is only for districts that currently serve 4 year olds.
3. Classified special education children should be counted below as being served in either a self-contained preschool disabled classroom OR as included in a general education classroom. Classified children who spend the same amount of time in a general education classroom as non-classified children should be counted as "classified special education children included in general education preschool classrooms". Classified children who spend any part of the program period in a self-contained class must be counted in as "classified special education children in self-contained preschool disabled classrooms".
4. Do not double count children - no child should appear in more than one answer block.
